

Introduction to the Reformation

I. Where have we been?

a. Politically

b. Culturally/Intellectually

c. Socially

d. Economically

Where are we going?

II. What was the Reformation?

What occurs?

In the Catholic Church during the Middle Ages, what was the highest calling?

During the Reformation, what happens to the status of priests?

III. Pre-Reformation Europe? Meaning?

Political Conflicts?

Social Conflicts? What's been problem since beginning of time?

I have highlighted who and why?

What does that imply?

What will peasants and the laity want?

Who will question the church?!?

IV. Now, the test....
